### THE ELECTIONS

The elections on Monday last did not prove very exciting, and only small vote was polled. This was perhaps due in a degree to the withdrawal of Mayor Macdonald from the mayoralty contest, giving J. C. McKay the honor by acclamation. E. H. O'Brien, the youngest man who has taken a seat on the Wetaskiwin council board, headed the poll. The following was the result of the vote.

E. H. O'Brien, 216  
H. J. Montgomery, 204  
A. G. Gross, 104  
A. W. Anderson, 61  
T. O. Felland, 61  
Geo. Pollock, 44  
Zao. Bellier, 15

In the election of trustees for the Alexandra school board, Mr. A. R. Dickson and Mr. H. C. R. Walker were chosen, the vote being as follows:

A. R. Dickson, 125  
Dr. Walker, 110  
E. C. Compton, 89  
E. D. H. Williams, 85

The other members of the board who hold office for another term are Messrs J. F. Fowler, O. M. Anderson and J. F. Ellis.

## MILLET

George Suttaba was Saturday morn-  
ing shot by J. P. Robertson charged  
with shooting a neighbor's chick-  
ens in their own yard. He was fined  
\$25.00 and costs.

We are pleased to see Andrew Car-  
son around again, after having his  
arm broken. We think that in a few  
weeks he will be able to do light work again.

Judging from the number of drunks  
that parade the town at night, our  
town will have to build a jail  
or a coop of some sort in order that  
our citizens may be allowed to sleep  
at night.

Mr. Doherty, who has been severely  
ill for some days is recovering un-  
der the care of Dr. Baker.

P. J. Mullen is erecting a large  
barn in town.

The Methodist parsonage is about  
completed as is also the new C.P.R.  
depot.

Mr. Vanalstine, section foreman,  
has been poorly for some time, but is  
around again. Glad to see you  
back.

new Roman Catholic church last Sun-  
day being Dedication Day.

The Pigeon Lake Sawmill Co. has  
a force of ten teams on the road haul-  
ing lumber from their mills at Pi-  
geon Lake to their planing mills here  
which is running at full capacity.

and implements, and is moving into  
town here.

The houses to rent are all taken  
and many in fact are doubling up,  
two families living in one house.

'The day school and Sunday school  
together are making great prepara-  
tions for a grand Christmas tree. A  
few programs will be rendered. All are  
invited. Santa has written that he  
will be there with an extra team this  
year, as he has a far larger supply  
of good things for Millet than ever  
before.

The I. O. O. F. are going to have  
an entertainment and basket social  
but it will not take place until after  
holidays now.

Messrs. P. J. Mullen, D. Stickney,  
Ira Grant, Geo. Wright and E. Cooper  
represented Millet at the Conserva-  
tion convention at Wetaskiwin last  
Tuesday. We know by the way P. J.  
was smiling when he got home that  
the convention was a success.

**KING OSCAR DEAD**  
Stockholm, Dec. 10.—The body of  
King Oscar who died Sunday has been

necessitate delaying the ceremony a

Miss Carpenter on Wednesday.

Mrs. McMillan's this week.

Our teacher, Mr. Watts had his first  
thrilling race coming to Alberta  
Town about a fair play, the children  
say.

Mrs. Tom Angus is visiting her  
mother at Buffalo Lake.

Miss Grace and Hazel Grant have  
returned home after spending a couple  
of weeks with friends here.

One of our neighbors thinking he  
was on the road to town, found when  
day broke that he would soon reach  
Dutton Lake.

We are still looking for a successor  
to Mr. Ide. Sundays are extra long  
without church.

Don't forget the Basket Social in  
the school house on the 15th. Doors  
open at seven o'clock p. m.

The woodwork on the new school  
is about completed. It presents quite  
a handsome appearance.

Miss Jones spent Sunday with  
her friends, Miss Penny Jordan.

The young men of our neighbor-  
hood tried to make an entrance in  
the morning, so as not to have  
the ladies carry them off to town  
without breakfast.

trouble. Stop the uric acid from poisoning the blood and there will be no Rheumatism.

### CANADIAN CLUB AT CAMROSE

Camrose, Dec. 7.—The business men of Camrose have decided to form a Canadian Club. This will be in connection with the Camrose Club, which has a membership of over seventy. Seventeen hundred dollars was subscribed in a few hours to furnish a comfortable club room. This is the only Canadian Club in Alberta outside of Edmonton and Calgary. It is the intention to invite the prominent men of Alberta, and others who may visit the West, to give addresses on the important subjects of the day. The officers of the club are: Hon. Pres., F. Adams; president, Frank Pike; secretary, F. L. Farley; treasurer, H. Burgess.

There is no doubt the Camrose Canadian Club will be a big success, as all Camrose undertakings generally are.

### CANT' MAINTAIN PROTESTANTS

Archbishop Bruchet has declared that a dispensation for marriages of Catholics with Protestants will be absolutely withheld, and he forbids such marriages to be entered into by his congregations.

## FIRE AT VEGREVILLE

Vegreville, Dec. 9.—Fire broke out about seven o'clock last night in J. J. Mohr's clothing store, two doors south of the Alberta Hotel to which it soon spread, destroying both completely. Neither the gasoline engine nor the chemical was in working order and consequently these proved powerless to save these buildings, but by the heroic efforts of a bucket brigade composed of every man, woman and child able to carry a bucket, the office and yard contents of the A. L. Walker Co., just south of Mohr's, were saved and the fire prevented from spreading further. Fortunately the wind was favorable. A good deal of the contents of the Alberta were saved. The local telephone line is out of business for the present. The origin of the fire is unknown. Both buildings were insured. The loss is about \$50,000.

"When the stomach, heart or kidney nerves get weak, then these organs always fail. Don't drug the stomach, nor stimulate the heart or kidneys. That is simply a makeshift for a prescription known to druggists everywhere as Dr. Shoop's Restorative. The restorative is prepared especially for these weak nerves. Strength Dr. Shoop's Restorative—tablet strengthen these nerves, build them up or restore them to their normal state. Free sample sent on request by Dr. Shoop, Racine, Wis. Your health is surely worth this simple test."

## CHRISTMAS SHOPPING

The Christmas season is one of joy  
and pleasure. But oftentimes the  
pleasure of some is marred by the  
hours they are compelled to  
keep during the previous shopping  
days. Lured shoppers keep the  
clocks on the run until the last min-  
ute and the delivery men frequently  
have to be on the streets delivering  
presents until the very dawn of Christ-  
mas day.

By following a few simple rules,  
much trouble and work can be avoid-  
ed. Do your shopping early. If it is  
all done before Christmas week, so  
much the better. Carry home all the  
presents you can instead of having  
them "sent up". Go to the stores as  
early as possible in the day, and as  
soon as you can, buying direct from  
the stores. Allow plenty of  
time, at least a day, for delivery of  
presents.

By taking a little forethought a  
large amount of extra work may be  
saved the workers, and your own  
Christmas time will be much happier  
in consequence.

## PRIZE WINNING GRAIN TO BE ADVERTISED

In view of exceptional conditions  
prevailing this year in regard to seed  
grain, it has been decided by the  
Western Representatives of the Domi-  
nion Seed Branch to issue a catalogue  
of all prize winning and all other  
or creditable exhibits at the Seed  
Fairs in Alberta, Saskatchewan and  
Manitoba. The catalogue will con-  
tain the following information in re-  
gard to each exhibit: kind of grain,  
size won, total score out of possi-  
ble 100, weight per measure bush-  
els, per cent germination, points of  
merit, defects, variety, number of  
bushels for sale, price, exhibitors  
name and address.

This catalogue will be issued to  
reach the public by March 1st. It  
is widely distributed over the coun-  
try.

Districts having any good grain  
should send seed fairs and endeavor  
to have as many good samples as  
possible, as the catalogue will be an  
excellent means of bringing it before  
the public.

## INVENTION WILL RECORD SPEECH

The United States Patent office, at  
Washington D. C., has issued patent  
rights to Mr. C. L. Chisholm, musi-  
cian-director of Alberta College, cov-  
ering an electro-magnetic long dis-  
tance sound recording instrument.

Among other objects of the inven-  
tion is one to provide a means where-  
by a telephone message finding no  
one at the receiving end, will re-  
cord itself automatically and speak  
the message as given on return of the  
person wanted. It is still further to  
be utilized in train dispatching where  
the receiving end can have the mes-  
sage verified if any doubt exists af-  
ter receiving the orders, reducing the  
chances of accidents to a minimum,  
and having a permanent record of  
the message as sent, and will repeat  
itself at will, the instrument being  
practical for telephone or telegraph.

In business transactions where the  
telephone will record the speaker's  
words without his knowledge. For  
distinction a distant stenographer  
will have the message repeated. It  
will also be used in the theatre, in  
cases as desired. One of the main  
objects called for the patent is the  
recording of soloists, singers, violin  
and orchestra, direct to the gram-  
phone and to the distant listener.

With the instrument perfected, its  
maximum powers, it will in itself  
enable countless commercial uses, where-  
ever telephone or telegraph connec-  
tions exist.

## FUR MARKET REPORTS

The latest reports from New York  
state that there have been heavy fall  
sales in the fur trade, and prices are  
ruling much lower than last year.  
In the Wetaskiwin is quoted at from  
\$2.00 to \$5.00, being \$1.00 to \$2.00  
lower than last year. Coyotes are  
also very much lower than in 1904,  
while rats are quoted at 18c to 20c.  
The dealers are anticipating a much  
lower London January sale than for  
several years past.

## GRAND TRUNK PACIFIC AD- VERTISING FOR TIES

Edmonton, Alta., Dec. 6.—The Grand  
Trunk Pacific, through F. Grand-  
huch, purchasing agent of ties for the divi-  
sion west of Winnipeg, who is here  
to secure 50,000 railway ties, offers  
for sale or lease ties to be received  
at the division mill offices at Edmonton  
from points on the C. & E., 100 miles  
south of Edmonton; from points on  
the C. N. R., 100 miles north and east  
of the city; from points along the line  
of the G. T. P. to the Macleod river  
for 125 miles west of the city. These  
ties will be purchased in Alberta. If it  
is possible to secure them and the im-  
mense sum of money represented by  
their purchase will have an appreci-  
able effect on the money stringency  
within the province. The ties will be  
delivered at Edmonton during the  
winter. Tamarac, Jack pine and  
spruce ties will be accepted.

The G. T. P. officers here have been  
instructed to prepare to receive 100-  
000 ties, which were shipped from  
British Columbia on Dec. 1. It is a  
fact that with the present state of  
British Columbia timber and labor  
marketplaces can be shipped to Edmon-  
ton from British Columbia as cheaply  
as they can be manufactured here,  
but the G. T. P. will purchase "made  
in Alberta" ties if they can do so with  
reason.

## SHAKE STORY

It appears that a small boy has been  
to his sums at school. This was the  
more remarkable because at home  
the habit of getting full marks for  
mathematical knowledge appeared to  
his fond parents to be woefully de-  
ficient. His father therefore decided  
to surreptitiously follow his off-  
spring and see whether he met with  
any assistance by the way. His sur-  
veillance proved correct. Halfway to  
school the boy sat down by the road-  
side, and was quickly joined by a  
snake, which coiled around his hand  
and guided his passage over the date.  
The sums were quickly done. In-  
vestigation showed that the reptile  
was an adder.—People.

Mr. W. W. Alton has received the  
appointment of Sub-Agent of Domi-  
nion Lands, Leduc, made vacant by  
the removal of Mr. McKay.

Mr. John Geets has sent in to the  
Attorney General of Alberta his re-  
signation of the office of Deputy Sher-  
iff for the sub-judicial district of  
Red Deer which he has held since the  
organization of the district this spring.—Advertiser.

The two newly appointed district  
judges for Edmonton and Wetaskiwin  
districts, Mr. Justice Taylor and  
Mr. Justice Noel were seen in the  
morning by Chief Justice Gifford at  
the Supreme Court.

There are a large number of our

The first farmers line in connection  
with the provincial telephone  
system has been built and is now in  
operation at Morley, a settlement  
west of Calgary. The line extends  
eight miles. There are eight sub-  
scribers and the charge is \$15 a year.

Mr. John Kennedy, ten miles south  
west of Red Deer, can face any man  
these days, says the Red Deer News.  
His wheat threshing is through and  
from 11 measured acres he got 65  
bushels of Alberta Red, machine  
measure, over 50 bushels to the acre,  
and wheat weighing 64 and 65 lbs.  
to the bushel. If any man north of  
Calgary can do that, Mr. Kennedy  
wants him to put up the proof.

### COUNCIL PROCEEDINGS

The regular meeting of the council was held on Tuesday evening 4th inst. at the residence of Mr. J. H. Knight, Mayor.

Minutes of last regular meeting and special meeting read and adopted.

Communications were then considered. A letter was read from J. H. Knight, explaining the work he had done in connection with the plans and specifications for the proposed public hospital, also enclosing account for \$125.00. It was moved by Kelley—Gross—That Mr. Knight be offered the sum of one per cent, or \$100.00 for his work—Carried.

A petition was read from the Wetaskiwin Tent & Mattress Co., asking for exemption from all taxes for five years, also free electric light. Ald. Kelley thought that some assistance should be given to the company, as they were doing good work and would employ a large number of hands.

His Worship thought the precedent a bad one, as other companies in town had been refused.

Ald. Montgomery said they were asking for more than the council had power to grant, as according to the ordinance one year was all that the council had power to grant at one time.

It was moved by Montgomery—Gross—That the petition lay on the table.

Ald. Gross also thought it inadvisable to give them a grant, as they might not remain in the city. The motion was carried. Ald. Kelley voting against.

A letter was read from J. H. Knight, asking for refund of \$156, being amount of special tax for sidewalk there being no sidewalk fronting the lot in question. It was moved by Kelley—Gross—That the refund be made.

A letter was read from J. F. Fowler, requesting that the license be waived in the case of the new Chautauque writing desk agent.

The resignation of H. G. L. Neville was then read to take effect Dec. 11, 1907.

It was then moved by Gross—Kelley—That the resignation be accepted.

A request was made by Capt. Lamin for exemption from taxation on S.A. property. On motion of Kelley—Montgomery—That the letter be referred to the city solicitor for report at next meeting—Carried.

A financial statement was then read from H. G. H. Neville, which was referred to the finance committee.

The following accounts were passed for payment:—  
C. Bleban, labor \$4.30  
A. Paterson, draying \$2.25  
R. M. Angus, coal \$41.70  
Jos. Harvey, well drilling \$458.30  
Morris & Starky, \$17.35  
Fowler & Breen \$11.90  
Revelstoke Saw Mills Co. \$680.00  
Rosenroll Lumber Co. \$215.79  
Total \$1487.79

Mr. Harvey was present and addressed the council. He stated that the deep well, including piping, had cost about \$6000.00. If necessary his present apparatus would sink a well 2000 feet deep. The well was now down 944 feet, and he thought that the well could be sunk another 1000 feet, but better time could be made by working day shift, the cost then would be about \$20.00 a day. Chandler—Kelley—That the public works committee be instructed to place a few loads of ashes on culvert immediately north of town. Meeting adjourned.
